

19 December 1986

MEMORANDUM FOR:

FROM:

SUBJECT: INTERNET & INTERNET Control Console

REFERENCE: Your Memo dated 19 December 1986, Same Subject

STAT

In reference to your memo dated 19 December 1986, answers geared to each question are:

1. See attached list.
2. There is some room available for preferential equipment in the microwave room. Our requirements are for a minimum of three equipment racks with for and aft accessible.
3. All of the equipment on attached list.
4. Same as #3 above.
